TO THE CITY OF PALMDALE--"ANNEXATION 1986-29"
(ANNEXATION TO CONSOLIDATED FIRE PROTECTION DISTRICT)

WHEREAS, pursuant to Section 99 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change the governing bodies of all agencies whose service areas or service responsibilities would be altered by such change must determine the amount of property tax revenue to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; but if the affected agency is a special district, the Board of Supervisors must negotiate on behalf of the district; and

WHEREAS, the Board of Supervisors of the County of Los Angeles and the City Council of the City of Palmdale have determined that the amount of property tax revenues to be exchanged between their respective agencies as a result of the annexation of unincorporated territory to the City of Palmdale entitled "Annexation 1986-29" is as set forth below.

1. The negotiated exchange of property tax revenues between the County of Los Angeles and the City of Palmdale resulting from the annexation of unincorporated territory to the City of Palmdale in the annexation entitled "Annexation 1986-29" is approved and accepted.
2. For fiscal years commencing on and after July 1, 1988, or after the effective date of this jurisdictional change, whichever is later, no property tax revenue is ordered transferred from the County of Los Angeles to the City of Palmdale. 6. In the event that all or a portion of the Palmdale "Annexation 1986-29" area is included within a project under the provisions of the Community Redevelopment Law, Health and Safety Code Sections 33000 et seq., the City, in approving the project, shall require that, notwithstanding the approval and adoption of the project, after the effective date of the project and throughout its duration, the same proportion of property tax revenue received by the County, the Flood Control District, and the Consolidated Fire Protection District within the project area shall continue to be distributed to those agencies as if no project had been adopted.
